Page 2

BASINGSTOKE LIVE

On Saturday 8th July the Youth Commission attended Basingstoke Live, a free music event hosted by Basingstoke and Deane Council. Young peoples biggest concern at the event was mental health, followed by Cyber safety then Hate crime and Unhealthy relationships.

Page 3

WE TOLD...

- Attendance of approx. 30,000
- 55 young people completed survey
- Twitter and Facebook

WE ACHIEVED...

The information collected will be used to inform a report to be presented to the Commissioner and Chief Constable to consider the recommendations in their strategies for young people

SOUTHAMPTON MELA

On Saturday 15th July the Commissioner attended Southampton Mela. The Commissioner's key messages at the event were inclusion and diversity are celebrated and that Community spirit is welcome and necessary.

WE TOLD...

- Attended by approx. 20,000
- Hate Crime survey completed by 43 people
- Engaged with 20 young people

WE ACHIEVED...

The information collected was collated and will form part of the consultation response to the Hate crime working group.

NORTHERN PIC OPENING

On Thursday 3rd August 2017 the Home Secretary, the Right Honourable Amber Rudd MP today officially opened the pioneering new Police Investigation Centre (PIC) to serve the northern area of Hampshire.

WE TOLD...

- Press release issued to 130 journalists and outlets
- Coverage from 18 sources print and online with total circulation of 10,136,547

WE ACHIEVED...

The building integrates an investigation hub and custody suite, to drive more efficient work with and investigation of detainees, allowing the return of arresting officers to active policing of the community more quickly

NEW FOREST SHOW

Page 6

Between Tuesday 25th July and Thursday 27th July the Commissioner and his team attended the New Forest Show. The team joined Hampshire Constabulary Country watch team in the countryside arena.

WE TOLD...

- Approx 90,000 attended
- Staff spoke to over 100 people over the 3 days of the show with 95 filling out surveys.

WE ACHIEVED...

Building on the rural conferences held earlier in the year were a wide range of issues that are of particular concern to rural communities, such as road safety, fly-tipping, Country Watch and Community Speedwatch schemes were discussed.

ART AND YOUTH JUSTICE EVENT

Page 7

In early July the Police and Crime Commissioner brought together a variety of organisations to put funding for services that support young victims, and those that help prevent young people from entering the criminal justice system, under the spotlight.

WE TOLD...

- Press release issued to 118 journalists and outlets
- Coverage from 4 sources print and online with a total circulation of 3,171,426

WE ACHIEVED...

The feedback from this event will help give a clear focus for future funding for projects and services that support young people in key areas such as mental health and child sexual exploitation

YOUTH COMMISSION MENTAL HEALTH

Page 8

Youth Commission mental health recommendations put forward for inclusion in the Public Health Strategy for Hampshire

WE TOLD...

Public Health for Hampshire Promoted within the team

WE ACHIEVED...

Wider recognition and showcase of achievements of the Youth Commission

COURT FILMS

Page 9

Overview

Films being prepared of all crown and magistrates courts within H10W which can be used by all CJS partners and commissioned services to familiarise victims and witnesses with court houses and the facilities when due to attend.

Outcome

Raise awareness of the court facilities and environment for victims and witnesses which will reduce the fear factor and increase confidence. Will be of particular use for those that have trials moved at short notice who then are not able to have a pre-trial visit.

CYBER AMBASSADORS

Overview

- Members created a campaign (#GoFISH) to encourage young people to take precautions to protect themselves online, promote mechanisms to report concerns and highlight the laws around internet use
- Members recommended that cyber ambassadors should be introduced into schools
- The Youth Commission have trained 65 secondary students and 40 primary pupils as cyber ambassadors on their GoFISH resources

Outcome

Cyber Ambassadors pilot completed, progress towards a universal method of reporting, research issues young people are currently facing online

CYBER BEHAVIOURS

Page 11

Overview

Developing a cyber profile of Hampshire, Isle of Wight, Portsmouth and Southampton. To explore how we can keep communities and those seen as more vulnerable to cyber crimes SAFER. Cyber crimes comes in a number of formats and so needs to be tackled in a number of ways to meet the needs of those being targeted.

Outcome

To raise awareness of the different cyber crime targeting individuals and communities. Trying to keep on top of emerging cyber trends with the evolving use of technology to target victims. Support the Constabulary where possible on campaigns. To generate promotional materials. To co-deliver the cyber awareness conference in December 17.
