There were no announcements.

26. **FEEDBACK FROM BOARD MEMBERS FOLLOWING A MEETING WITH CHILDREN IN CARE**

The Board discussed a recent, informal meeting which had been arranged to meet with young people in care. As part of the discussion and feedback, it was confirmed that:

- All Board members had been available to meet the group of young people and to discuss their experiences from within the care system environment. Members had met with eight individuals, ranging in age between 12 and 17 years. Officers had also been present on the day to facilitate the discussion and to make introductions.
- All Members felt that the meeting had been extremely beneficial and they had valued the discussions with the young people and the feedback that they had received.
- It was noted that the meeting had helped Members to understand how the transition through the care system had worked for each individual and Members were keen to learn more and to speak further with other young people to understand the experience from their perspectives.
- Discussion was held regarding the importance of an individual's initial experience of being placed in care and how this could be better supported, particularly when this is in an emergency. Furthermore, it was noted that leaving a care placement for an alternative placement was also an important time. Specific suggestions were proposed, such as creating a leaflet with relevant information for children entering into the care system, the possibility of video conferencing with future foster parents and producing welcome/leavers packs.

Arising from the meeting with young people, it had been agreed that:

- A second, informal meeting for Members would be arranged with the same group of young people.
- The Chairman would write to the young people to thank them and to provide an update on how their ideas and suggestions had informed future work.
- Another informal meeting with an alternative group of young people and an informal meeting with foster carers would be arranged to enable Members to gain further insight and understanding.

RESOLVED:

That the Board were grateful for the opportunity to meet with the young people and highly valued the constructive feedback that had been gained from the discussion.

## 27. **FUTURE BOARD MEETINGS**

The Board considered future agenda items. Two items were proposed as outlined below:

- A detailed update on foster placements – incorporating the number of placements across Hampshire and some background information to provide members with information about how placements are sought and allocated
- An update on the ongoing strategy for the recruitment of foster carers

RESOLVED:

The Board agreed that these items be added to the agenda for the next meeting.
