1. Recommendations

- 1.1. To approve for submission to the Leader and Cabinet the capital programme for 2018/19 to 2020/21 as set out in Appendix 1 and the revised capital programme for 2017/18 as set out in Appendix 2.
- 1.2. It is recommended that the first phase of the project to update the kitchenettes, kitchens and bathrooms at the in-house units totalling £750k, being funded from the 2017/18 Capital Programme, be approved.

2. Executive Summary

- 2.1. This report seeks approval for submission to the Leader and Cabinet of the proposed capital programme for 2018/19 to 2020/21.
- 2.2. The report has been prepared in consultation with the Executive Member and will be reviewed by the Health and Adult Social Care Select Committee. It will be reported to the Leader and Cabinet on 5 February 2018 to make final recommendations to County Council on 22 February 2018.
- 2.3. The report considers the schemes which it is proposed to include in the capital programmes for 2018/19, 2019/20 and 2020/21.
- 2.4. The proposals contained in this report are derived from the departmental service plans which have been developed to support the priorities of the Corporate Strategy.

3. Contextual Information

- 3.1. Executive Members have been asked to prepare proposals for:
 - a locally-resourced capital programme for the three-year period from 2018/19 to 2020/21 within the guidelines used for the current capital programme including the third year, 2020/21, at a similar level to 2019/20

- a programme of capital schemes in 2018/19 to 2020/21 supported by Government grants as announced by the Government.

3.2. The medium term financial and efficiency strategy is closely linked to the Corporate Strategy and the Corporate Business Plan to ensure that priorities are affordable and provide value for money and that resources follow priorities.

4. Locally resourced capital programme

4.1. The cash limit guidelines for the locally resourced capital programme for the Adult Services service set by Cabinet are as follows:

	£000
2018/19	481
2019/20	481
2020/21	481

4.2. Executive Members may propose supplementing their capital guidelines under the 'prudential framework' agreed by Cabinet at its meeting on 24 November 2003, as amended by Cabinet in February 2006, thereby integrating more closely decisions on revenue and capital spending in support of corporate priorities. The additions may include virements from the Executive Member's revenue budget or use of temporary unsupported borrowing, to provide bridging finance in advance of capital receipts or other contributions. No virements are proposed between revenue and capital budgets in this report.

5. Proposed capital programme 2018/19 to 2020/21 – locally resourced schemes

5.1. The Adult services capital programme for locally resourced schemes reflects the corporate aims of enabling people to live safe, health and independent lives, enjoy a rich and diverse environment and be part of a strong and inclusive community. It includes contributions towards the costs of the following:

- Priority works on residential and nursing care premises to meet the needs of residents and service users to satisfy the requirements of regulators including the Care Quality Commission, The Fire Service and the Health and Safety Executive

5.2. The detailed programme in Appendix 1 and expenditure for 2018/19 is summarised in the table below:

	£000
Operational building, including residential and nursing care, improvements	481

Total

481

6. Revised 2017/18 capital programme

6.1. The revised 2017/18 capital programme for Adults is shown in Appendix 2 and totals £55.1 million. The changes since the capital programme was approved in January 2017 are summarised below:

	2016/17 £000
Approved Programme	481
Carry Forward from 2016/17	44,433
Disabled Facilities Grant (Better Care Fund pooled budget)	10,694
Transfer to Revenue (eg demolitions)	-481
Total	55,127

6.2. The schemes carried forward from previous years of £44.433m were agreed by Cabinet on 19 June 2017. These predominantly relate to the Extra-Care housing and Adults with a Disability Accommodation programmes.

6.3. Projects are being developed to undertake the first phase of updating the kitchenettes, main kitchens and bathrooms at a number of the in-house units at an estimated cost of £750k over the next year. It is recommended that this is funded from the 2017/18 capital programme.

Extra-Care Housing

6.4. On the 24 October 2011 Cabinet approved the strategy to extend the development of Extra-Care Housing. This included approval of an indicative maximum financial envelope of £45m of capital investment to deliver the programme of work, including transition cost.

6.5. Capital funding for the extensions to Westholme, Winchester and Oakridge, Basingstoke of £3m was formally approved by the Executive Member for Policy and Resources on 24 January, 2013.

6.6. Capital funding for future Extra-Care developments will be subject to the development of individual business cases.

6.7. On the 21 July 2014 Cabinet approved £26m to be allocated from the original £45m capital envelope to deliver up to 700 units and secure accelerated delivery of the original 500 unit target by 2017.

6.8. Since this Cabinet approval several key factors that drive delivery and cost have changed. Build costs have risen and the Registered Housing Provider sector has found it harder to build. Reduced capital subsidy rates and more risk averse lending has been exacerbated by recent Government decisions around Right to

Buy and Registered Housing Provider income. This led to an overview of the extra care programme in early 2016.

- 6.9. On 22 April 2016 the Executive Member for Policy and Resources approved the re-instatement of the Older Persons Extra-Care programme to the original £45m capital envelope. With this in mind, a full review of the remaining programme and project opportunities is being undertaken to ensure the most cost effective programme is identified as a basis for the programme going forward.

Transformation of Adult Learning Disability Services

- 6.10. On the 27 October 2011, the Executive Member for Policy and Resources approved the Adult Learning Disability (LD) Business Case for the early implementation phase of LD transformation and the broader programme. The business case links to the consultation of the transformation proposals reported to the Executive Member for Adult Social Care on 16 May 2011.
- 6.11. The Executive Member for Policy and Resources Decision Day on 21 July 2011 approved that 100% of LD capital receipts to be reinvested in LD service re-provision.
- 6.12. The Executive member for Policy and Resources on 9 March 2017 approved the revised Business case plan. The financial position has evolved since October 2011 largely as a result of the value likely to be secured by selling surplus property and the consequent impact on prudential borrowing. The business case improved with the use of the Community Grant funding of up to £3.4m. It is envisaged that the transformation will be completed by the end of March 2019.

Adults with a Disability Accommodation

- 6.13. The Executive Member for Policy and Resources approved the strategic business case for the Adults with a Disability Housing programme in April 2016. The business case approved a borrowing envelope of up to £35m to support the programme to transition around 600 service users with a learning and/or physical disability from an existing care home setting to a shared house or individual groups of flats.

Transfer to revenue

- 6.14. The funding transfer of £481k to revenue is a technical accounting adjustment. This is for expenditure on capital projects that cannot be capitalised under the capital accounting rules eg demolition costs.

7. Capital programme supported by Government allocations

- 7.1. The locally resourced capital programme is supported by Government grant received from the Department of Health. In 2017/18 the amount of Department of Health capital funding to Adult Services was £10.694m for the Disabled Facilities Grant. This funding forms part of the Better Care Fund – Pooled budget which is overseen by the Hampshire Health and Wellbeing Board.

7.2. The Secretary of State has not yet announced details of individual local authority capital allocations for 2018/19. For planning purposes 2017/18 allocations are being assumed.

7.3. The Disabled facilities grant (DFG) of £10.694m is capital money made available to local authorities as part of their allocations to award grants for changes to a person's home. There is a statutory duty for local housing authorities to provide grants to those who qualify. This part of the fund will be governed by the disabilities facilities grant conditions of grant usage as made by the Department for Communities and Local Government (DCLG) under section 31 of the Local Government Act 2003. Therefore, although officially part of the fund, the money cannot be used for other things and will be paid back out of the fund to the relevant district councils.

8. Capital programme summary

8.1. On the basis of the position outlined above, the total value of the capital programmes submitted for consideration for the three years to 2019/20 are:

	Schemes within locally resourced guidelines	Additional schemes funded within the prudential framework	Schemes supported by Government allocations	Total

2020/21	481	-	-	481

Note: the above figures are net of developers' contributions and exclude the costs of land for programme schemes which are dealt with outside the guidelines.

9.2. The total revenue implications for the three years of the starts programme, including capital charges, represent a real term increase of 0.02% over the 2017/18 original budget of Adult Social Care Service.
