

Fly-Tipping Update

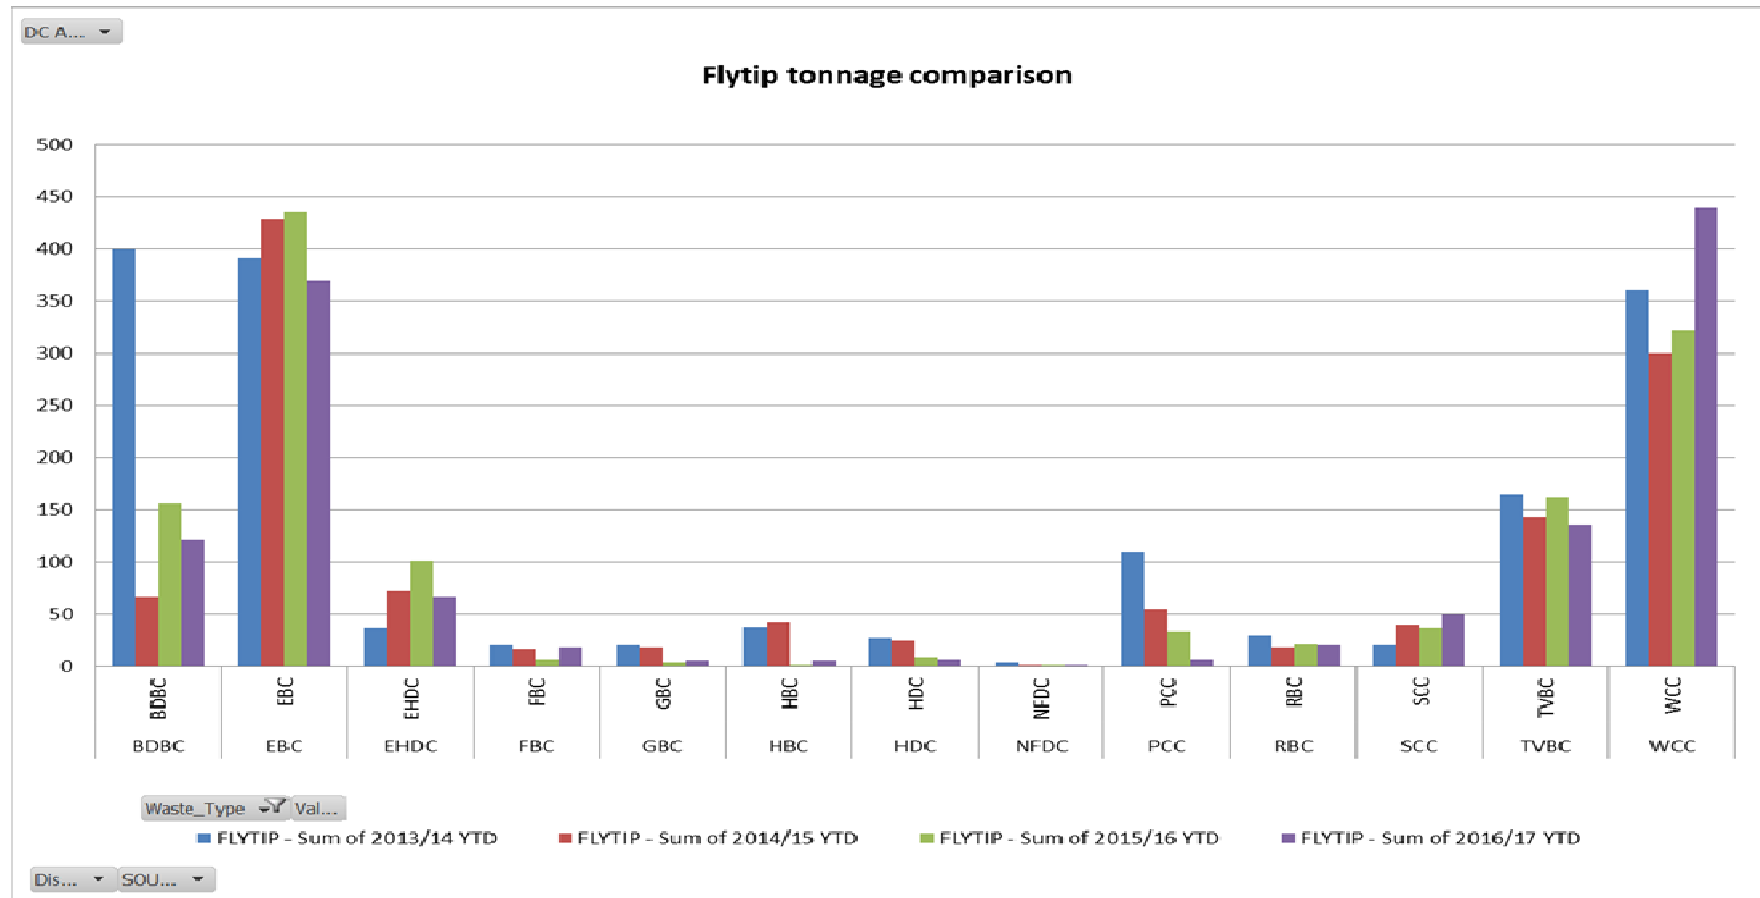

A31 layby in East Hants 35sq yards of cable

Hampshire
County Council

Tonnage has decreased

Covert CCTV Cameras

- A Funding bid has been successful with £3,000 being awarded from the Rural Delivery Budget.
- HCC to hold cameras centrally.
- Pilot project to take place in Yateley in partnership with Countryside Services.
- Countryside Services have listed Fly-Tipping as a “runner” in their rural programme.

Joint Operations

Joint Operations

3 Joint Operations planned in partnership with LA, HC, HMRC, EA, TS, DVSA and HCC

- **17th April in the New Forest (A337).**
- 179 vehicles were stopped.
- EA issued advice to 5 traders carrying waste.
- Several vehicles/drivers were issued with various levels of fines.
- 1 vehicle seized
- 1 person arrested.
- **10th May in Yateley (A30).**
- 55 vehicles stopped
- No EA advice given
- No arrests
- Several vehicles/drivers were issued with various levels of fines.
- **7th June location tbc**

Police Rural Crime Partnership

- Opportunity to raise the profile of the HFTS. Promote the HCC FT webpage to private landowners and national bodies (NFU/CLA).
- This has allowed close partnership working with the Hampshire Police Countrywatch Team.
- Access to joint resources for operations.
- Mark Gammon of the C.P.S who has provided two pro-forma statement templates allowing partnership case files to better highlight the costs and environmental impact of Fly-Tipping.

Hampshire
County Council

Hampshire
County Council

Intelligence and Enforcement WG

- First meeting was on Friday 27th April.
- Included representatives from LA's, National Bodies, Volunteer Group, Parish Council.
- TOR's agreed.
- BDBC dedicated FT officer.
- Parish council representative will feedback to and engage with HALC.
- Intelligence protocols agreed.
- Standardised case file presentation agreed.
- Hopefully Hampshire will be able to follow the recent success of other counties - Two recent Fly-Tippers imprisoned. One in Kent and one in Hertfordshire.

In Progress

- EA delivered training to 18 TS officers 8th May. And is being evaluated before a possible roll out to partners.
- Comms work progressing well with a next steps meeting today.
- Recent conference call with DEFRA regarding HFTS has resulted in an invite to NFTP meeting
- EFRA report on reviewing magistrates sentencing and streamlining prosecutions in line with work we have already planned.
- Building a better working relationship with Parish councils around intelligence sharing and the reporting of fly-tipping.

Beyond Hampshire Border Meetings

- Fly-tipping on private land roundtable in Dorset attending with HC Countrywatch - June
- National Fly-Tipping Prevention Group (NFTPG) meeting at LGA offices London - June
- Tackling Fly-Tipping and Preventing Illegal Rubbish Dumping: *Encouraging Responsible Waste Disposal and Reducing Waste Crime* Conference in London - September
