

# **ANNUAL REPORT 2018-19**

## **Foreword from the Chair**

As Chairman of the Hampshire Police and Crime Panel, I am once again pleased to be able to introduce the Panel's Annual Report covering our activity during the 2018-19 municipal year.

I continue to be reassured that we have maintained our focus on the priorities of the Panel and provided effective support and challenge to the Police and Crime Commissioner for Hampshire and the Isle of Wight, as he looked to fulfil his duties. Panel Members from across the two counties have come together to bring their knowledge and experience to the role, and I believe we have undertaken some excellent scrutiny of the Police and Crime Commissioner on behalf of our communities.

As the report shows, we have continued to monitor and examine delivery by the Commissioner of his objectives throughout the year, as presented in his Police and Crime Plan. Through our working groups we have addressed all aspects of the plan and have challenged the Commissioner accordingly.

Our proactive approach to scrutiny has been particularly positive and enabled a range of community representatives to provide evidence to the Panel, with completion of our reviews looking at Hate Crime and Cyber Fraud. This year we also commenced a broader piece of proactive scrutiny work, looking at how the Commissioner is enabling effective and efficient operational policing for Hampshire and the Isle of Wight. This positive and innovative piece of proactive scrutiny has already gained interest at a national level, including from the Rt Hon Nick Hurd MP, in his role as the then Minister of State for Policing and the Fire Service.

This year has seen the Panel fulfilling its statutory responsibilities in relation both to complaints and in reviewing the Commissioner's proposed precept, which the Panel unanimously supported this year. The additional funds raised as a result of the precept supported by the Panel, have enabled Hampshire Constabulary to proceed with the recruitment of 210 additional police officers, many of whom are already coming into post and being deployed where most needed across the two counties.

During 2018-19, we continued to develop our working practice by reviewing the training and development needs of our Members, ensuring we continue to give the best service we can on behalf of those we represent. We also met with other Panels within our region to share best practice and consider how best to scrutinise and

support our Commissioner, in approaches to deliver efficiencies through cross-border working.

Representatives of the Panel have attended both local and national events, and one of our supporting officers delivered presentations on Police and Crime Plan Scrutiny to Panels from across England and Wales at the national conference in November, following considerable interest in our approach to proactive scrutiny. We also sought opportunity to engage in national discussions, including involvement in a steering group which contributed to the development of new national guidance for Police and Crime Panels recently issued by the Local Government Association and the Centre for Public Scrutiny.

In conclusion, I wish to thank all our Panel Members for their contributions and our supporting officers for all their work in enabling the Hampshire Police & Crime Panel to perform its role and responsibilities.

Hampshire Police & Crime Panel

## 1. Introduction

Police and Crime Commissioners (PCCs) were introduced through the Police Reform and Social Responsibility Act 2011, which significantly changed the arrangements for police accountability and governance in England and Wales. Through this legislation Police and Crime Panels (PCPs) were established to provide scrutiny and support to PCCs.

This annual report covers the third year of Mr Michael Lane, the PCC, who was elected to serve Hampshire, Portsmouth, Southampton and the Isle of Wight, in May 2016.

### 1.1. The Role of the Police and Crime Commissioner

Nationally, PCCs exist to ensure that the policing needs of their communities are met as effectively as possible, to be the voice of the people and hold the police to account. They are to give the public—to which they are directly accountable—a voice at the highest level of policing. They are expected to do this by:

- securing an efficient and effective police for their area;
- appointing the Chief Constable, holding them to account for running the force, and if necessary dismissing them (Olivia Pinkney is the Chief Constable of Hampshire Constabulary);
- setting the police and crime objectives for their area through a police and crime plan;
- setting the force budget and determining the precept;
- contributing to the national and international policing capabilities set out by the Home Secretary; and
- bringing together community safety and criminal justice partners, to make sure local priorities are joined up.

Legislation protects the operational independence of the police, making it clear that the Chief Constable retains command and control of police officers and staff.

Contact details for the PCC for Hampshire can be found in Appendix 1.

### 1.2. The Police & Crime Plan

The PCC sets out in a Police and Crime Plan his objectives for his term of office. This document is of great importance to the PCP as a point of reference in fulfilling its duty to scrutinise and review the actions and decisions of the PCC. Mr Lane's Plan was considered in draft by the PCP in October 2016 and launched in a public event with

stakeholders in December 2016. His objectives from this time forward were defined as:

1. Championing Community Needs - Support victims and those affected by crime and disorder
2. Partnerships - Strengthen partnerships to work together to reduce crime, promote public safety and create vibrant inclusive communities
3. Enabling operationally effective policing - Enable effective and efficient operational policing which meets the needs of the people it serves, by empowering the Chief Constable
4. Reduced Offending - Develop services that tackle the root causes of offending and, with partners, make early interventions to prevent offending

These four key strategic priorities were identified by the PCC to support his overarching objective of making 'you, your family, your community: safer'.

The PCC's plan can be found on the following webpage:

<https://www.hampshire-pcc.gov.uk/plan>

### 1.3. The Role of the Police & Crime Panel (PCP)

The PCP is a joint scrutiny body of the local authorities in the Policing area who perform a number of functions in relation to the PCC and their role. These include:

- To review the draft Police and Crime Plan
- To scrutinise the PCC's Annual Report
- To review and scrutinise decisions and actions by the PCC
- To review and veto the PCC's proposed Council Tax precept levels
- To review the PCC's Conduct – the PCP can suspend the PCC if they are charged with 2 year imprisonable offence and report to IPCC, however they cannot remove the PCC.
- To confirm the Chief Constable's appointment.
- To appoint an acting PCC, if required.

The Hampshire PCP fulfils all of these duties in relation to the PCC for Hampshire (and the Isle of Wight, Portsmouth, and Southampton, although these areas are not included in the official title of the PCC, which follows the name of the Constabulary).

Later sections of this report go into further detail on how and when each of these duties (if applicable) were fulfilled for 2018/19. The PCP can require the PCC or their staff to be in attendance at PCP meetings and can ask the Chief Constable or partners responsible for helping to assist in the delivery of the Police and Crime Plan to attend the PCP (although they do not have a statutory duty to do so).

#### 1.4. Members of the Hampshire Police and Crime Panel

The PCP is made up of representatives from each of the Local Authorities in the Hampshire Police area, which includes the cities of Portsmouth and Southampton, the Isle of Wight as well as Hampshire County Council and the 11 Borough and District authorities within it. They are joined by three additional local authority co-opted members, who sit on the PCP in order to better meet the 'balanced appointment objective', and two independent co-opted members, who are appointed through a competitive recruitment process to add to the collective spread of experience and knowledge. The PCP therefore has 20 members; the maximum size that it may be by law. All members – appointed and co-opted - have the same status and rights on the PCP.

The 15 local authorities in Hampshire and the Isle of Wight are:

- Basingstoke and Deane Borough Council
- East Hampshire Borough Council
- Eastleigh Borough Council
- Fareham Borough Council
- Gosport Borough Council
- Hampshire County Council
- Hart District Council
- Havant Borough Council
- Isle of Wight Council
- New Forest District Council
- Portsmouth City Council
- Rushmoor Borough Council
- Southampton City Council
- Test Valley Borough Council
- Winchester City Council

The PCP must be politically balanced, reflecting the political make-up of the councils in Hampshire. Each of the 15 councils has its own process for appointing its representative on the PCP. Each also has its own arrangements for PCP member expenses.

Membership of the PCP for 2018/19 was as follows:

## 2.2. Proactive Scrutiny Work Programme

Throughout the 2018/19 municipal year the Panel focussed upon on an in-depth scrutiny examining how the Commissioner was enabling effective and efficient policing for Hampshire and the Isle of Wight. This work spanned across the period and saw the Panel engaging and meeting with a number of stakeholders to understand their views on the subject. Findings and recommendations from this review are being presented for agreement at the Panel’s meeting in October 2019.

Further details of the Panel’s previous proactive scrutiny work and recommendations made to the Commissioner can be found on the Panel’s website:

<http://www3.hants.gov.uk/hampshire-pcp/pcc-proactivescrutiny.htm>

## 3. Working Groups and Sub-Committee

In July 2018 the Panel’s Complaints Sub-Committee was appointed as a formal Sub-Committee of the Panel, following its previous status as a working group. The Complaints Sub-Committee is responsible for handling complaints made against the PCC and for informally resolving non-criminal complaints, as well as conduct matters that are referred to the Panel by the Independent Office for Police Conduct (IOPC). Meetings of the Complaints Sub-Committee are held in public, with an annual report outlining complaints activity for the previous 12 months presented to the Panel each July.

The working groups of the PCP undertake activities separate to the formal meetings of the PCP in order to support the business set out in its work programme. The working groups of the PCP undertake much of the detailed work that would otherwise take up significant time in a formal public meeting. Outcomes of these meetings are reported to the PCP prior to any review of the relevant item on the agenda.

The PCP has two long-standing working groups; one that meets to consider detailed information in advance of the scrutiny of the precept, and one that meets to review the implementation of the police and crime plan. During 2018 the Panel implemented

a Proactive Scrutiny task and finish group to drive and deliver the Panel's proactive scrutiny focused upon how the Commissioner was enabling effective and efficient operational policing.

Membership of these groups can be found below.
