

Hampshire School Places Plan 2023 - 2027

Executive Summary

1. Hampshire is proud of the quality of education provided by its diverse and high-performing system of schools, colleges and early years' settings. The county hosts popular and highly successful infant, junior, primary, 11-16 and 11-18 schools as well as 4-16 schools and the largest post-16 college sector in the country. The County Council is committed to ensuring that families in Hampshire have access to a good local school which offers a rich and varied learning experience, has the highest expectations for their children's success and where parents can be confident that their children will be safe. All children have the right to an enjoyable, inclusive and expansive education and it is the role of the local authority to intervene on behalf of children, especially the most vulnerable, when this is not the case.
2. Hampshire County Council has a statutory duty to ensure a sufficiency of school places for Hampshire children, this includes:
 - Ensuring sufficient childcare options are available to meet the Early Years free entitlement as far as reasonably practicable.
 - Ensuring sufficient maintained school provision is available to meet the needs of all Hampshire children aged up to 16.
 - Ensuring sufficient post-16 provision is available for all Hampshire children.
 - Giving priority at all ages to meet the needs of children with special educational needs and disability (SEND), learning difficulties and/or disabilities up to 19 (in some cases 25).
 - Supporting all maintained nurseries, schools, and post-16 provision to function as high-quality, viable and financially efficient services and, to ensure fair access to educational opportunity and promote diversity and parental choice.
 - Ensure fair access to educational opportunity and promote diversity and parental choice.
3. Hampshire delivers a high standard of education through its diverse and high-performing system of schools, colleges, and early years' settings. The Early Years provision is delivered through a wide market range of private, voluntary, independent, and maintained school settings.
4. The size and diversity of Hampshire creates a number of challenges in meeting the demand for additional school places. The main principle of current and future provision is that the County Council will look to provide local schools for local children. The Hampshire School Places Plan provides the basis for school capacity planning across the County.
5. The planning and provision of additional school places is an increasingly complex task with regard to growing populations, inward migration, and new housing developments. Individual schools, subject to status, now have greater autonomy regarding admission numbers and decisions surrounding school expansions, adding further complexity to the role the County Council must undertake.

6. The following factors are considered when forecasting school places:
 - Numbers of children living in area.
 - Numbers of children attending local schools.
 - % participation rates for numbers joining each phase of schooling.
 - Known housing developments and estimated pupil yield.
 - In-year migration to and from local schools, 'pushback' – children being 'pushed back' to their local schools as preferred schools fill from their own catchment demand.
7. It is the County Council's role to plan, commission and organise school places in conjunction with the Regional Schools Commissioner in a way that promotes the raising of standards, manages supply and creates a diverse educational infrastructure.
8. In a period of significant financial challenge, the County Council is committed to providing accommodation for school places, whether permanent or temporary, that is of high quality, fit for purpose, accessible, provides value for money and ensures flexibility to respond to changes in the curriculum. Future design solutions will also carefully consider the impact of climate change.

Hampshire's School Population

9. Hampshire continues to experience a significant pressure for places across certain areas of the county as high birth years' work their way through the schools and new housing (over 45,000 dwellings 2021 to 2028) is built across the county. There are also areas where trends suggest that pupil numbers are starting to fall, these will need to be watched carefully and effectively managed when required. The new housing has been identified from existing local plan allocations and proposals emerging from District and Borough Council Local Plans currently or in consultation. The demand for new housing puts significant pressure on all services and public infrastructure – particularly schools.
10. Births in the County began to drop in 2012 and were at their lowest in 2020, reflecting national trends. This was a similar number to those in the early 2000's. However, births are predicted to grow again due to new housing and continue to grow during the next 5-year period.

11. The graph shows the actual and forecast primary and secondary intakes across Hampshire in year R (aged 4) and year 7. Whilst this graph shows a large drop in numbers in Year R, it is anticipated that this may now increase again from 2026/7.

12. During the period 2013 to 2022 the County Council will have delivered 14,481 new school places with projects contained within the 2023/24 to 2025/26 programme totalling a further 4,393 places giving a total of 18,874 new school places by September 2026.

Housing and Major Development Areas

13. There are 13 local planning authorities in Hampshire, (including the New Forest and South Downs National Park Authorities.) Each determines their own housing strategy and targets as part of their Local Plan (LP). The Strategic Development Team meet regularly with each of the LPAs to advise and influence on the impact potential housing developments could have on the local education offer.

14. Each LP contains a Core Strategy which sets out the planning authority’s policies and general location for new housing, each of these plans are at various stages of development. The number and rate of build of new dwellings on sites, and indeed the location of the sites themselves, are often subject to change which can create a challenge to the task of school place planning.

Developer Contributions

15. In line with central government guidance on developers’ contributions the team negotiates financial contributions from developers with the aim that they fully mitigate the impact of the development on public infrastructure. Developers’ contributions are a vital source of resources to the Children’s Services capital programme. £167m in developer contributions have been collected since 2013 with an additional £230m secured in signed Section 106 agreements towards new school places in Hampshire over the next 10-20 years. Such funds only cover costs incurred and their availability depends on the volume and rate of house building.

16. The extensive educational building programme over recent years has enabled a robust and comprehensive cost analysis for building new and extending schools to be produced. A national benchmarking exercise has also been undertaken with the Department for Education (DfE) that identifies the true cost of building new school places. The benchmarking report (updated annually and led by Hampshire County Council) shows that the full delivery cost of new primary phase school places exceeds the DfE Basic Need funding allocation. More data on completed schemes is required for secondary schools, but this is likely to show even more of a challenge as the financial gap widens.
17. The County Council expects financial contributions from developers to meet the cost of children's services facilities required as a direct result of any housing.
18. The Developers' Contributions Guidance and the Benchmarking reports can be found here:
[School places plan | Hampshire County Council \(hants.gov.uk\)](https://www.hants.gov.uk/school-places-plan)

Special Education Needs and Disability (SEND)

19. Hampshire's SEND provision is continually reviewed to assess the county wide need for SEND places against current specialist places available at special schools and resourced provisions and to plan new provision where needed. Hampshire special schools have a good reputation for the quality of educational provision they offer to pupils, some of which have the most severe long term and complex educational needs. The educational offer to children with SEND also includes resourced provision within mainstream schools.
20. This School Places Plan only considers mainstream school places – the Hampshire SEND Strategy is due to be published in 2023 and addresses the long-term sufficiency of specialist SEND places.

Making Changes to Schools in Hampshire

21. Hampshire has a diverse range of schools, meaning a varied and mixed approach to school organisation is needed. This mixed economy has been developed over many years and works well; change is only considered by the County Council when required. In planning the provision of school places, the County Council will also consider cross border movement of pupils between local authorities.
22. In planning for new mainstream provision in the primary and secondary sector the County Council will plan based on the following principles:
 - Published Admission Numbers (PAN), where possible, will be multiples of 30 or 15.
 - When developing new schools, the County Council will seek to provide all-through primary provision and not separate infant and junior provision. It is the view of the County Council that this model provides a beneficial educational continuity between Key Stages 1 and 2 by removing the need for transition at age seven.
 - For new schools, normally required to serve significant housing developments, the Council would seek to open the new provision with a minimum of 20 catchment area pupils which equates to approximately 400 occupations. Ideally the school

would grow from year R, year on year, to reflect the build out rate of the development.

- Particularly in rural areas, the County Council will give consideration to ensuring sustainable local models are maintained.
- The County Council promotes a co-educational system in the primary and secondary sector and all future arrangements will follow this principle.
- Where possible the County Council will seek to have PANs (Published Admissions Numbers) across the primary sector of not less than 30 or greater than 150 and no less than 150 in the secondary sector subject to individual circumstances.
- Large admission intakes outside the normal admission points at reception and the start of Key Stage 2 will seek to be avoided.
- When opportunity arises the County Council will discuss with governing bodies new forms of school governance. This could include 'hard' federation of two or more schools, amalgamation of infant and junior schools into a single primary school or, the formation of all-through five to 16 schools.
- Assumed within the current funding formula is a presumption to keep smaller schools open. The County Council will seek to keep smaller schools where the quality of provision is high, and the school offers value for money.

23. The County Council keeps under review all education provision for which it has a statutory responsibility. Numerous factors might lead the County Council to make proposals for changes in school provision. As well as the supply and demand of school places; other factors include:

- Action to address schools that are failing or at risk of failing.
- Changes in the population and/or the continuing demand for places in an area.
- Admission arrangements in its community and controlled schools that accord with the strategy for supplying school places and oversight of the wider admissions system.
- The opportunity to bring local arrangements in-line with general Hampshire arrangements.
- Findings by Ofsted on the quality of education being provided.
- The prospects for the school of remaining or becoming viable in terms of admission factors.
- Results and data in relation to public examinations or national tests and the level of value the school can be shown to be adding to the educational achievement of its pupils.
- The popularity of the school within its local community and wider user group.
- Ability to make a full educational offer within the financial budget available.
- Clear indicators the provision has a full understanding of the challenges it faces and the ability and leadership to tackle these challenges.

24. The County Council works closely with schools, governing bodies, and academy trusts to manage supply and demand issues in both the shorter and longer term. In addition, the County Council undertakes statutory consultations on the principle of enlargement or any other type of significant alteration to schools – residents, parents, governors, local Councillors, and other community representatives are consulted during this process. Statutory guidance about making organisation changes to local-authority-maintained schools, including school closure are outlined on the Department for Education website and can be found at the following link:

<https://www.gov.uk/government/publications/school-organisation-maintained-schools>

Forecasting School Places – Methodology

25. The County Council collects data on the historical and current uptake of places in all schools that are maintained by the Local Authority. This data along with other linked information, primarily birth and housing data, is used to forecast school places across the County.
26. The methodology used is based upon a cohort survival model. The basic premise is that pupils will roll forward from one-year group to the next at the end of each academic year. If there are known housing developments within a school's catchment area, the expected pupil yield is added to the projections. This information is provided by the Economy, Transport & Environment Department and substantiated by district councils. Expected changes due to pupil mobility and migration are also taken into account. For each year group, the number of pupils on roll in January is compared with the same cohort a year later. A weighted moving average of the observed changes over the last three years (3:2:1) is calculated and applied in the same way as the participation rate
27. Intake into Reception Year – the number of four-year olds living in a school catchment area is determined as described above. This is compared with the number of pupils that are enrolled by the school and a participation rate is calculated. Again, a three-year weighted moving average is applied to calculate a participation rate for use in forecasting future YR enrolment at schools.
28. Intake to Year 3 and year 7 – pupils leaving Year 2 from a particular infant school are allocated as moving on to the linked junior school. A participation rate is calculated, and the three-year weighted average is used to forecast future intakes. Similarly, Year 6 numbers from groups of primary/junior schools are allocated for the linked secondary school. Again, the participation rate and forecast participation rate are calculated. The forecast year and intakes can then be determined.
29. Assumptions - The model assumes that the school population tends to be stable rather than influenced by a trend in the long term; by using this methodology we can mitigate against an exceptional trend. Weighting the average accounts for the assumption that recent events are far more likely to be replicated but using a moving average smooths out high fluctuations in year groups in a particular year. Data on housing developments are collected and the likely effects of housing developments on pupil numbers is applied to the school(s) in whose catchment area the planned development is proposed to take place. The number of pupils that a particular development is likely to yield is determined from information supplied by local planning authorities as to the number and phasing of housing units combined with the type and tenure of those dwellings.
30. Cross Border Movement – Hampshire is bordered by eight local authorities with responsibility for providing school places. The number of children who do not reside in Hampshire but who attend state-funded mainstream schools within the county in spring 2020 was around 7,100. While authorities have a responsibility to provide school places for their own populations, this does not extend to providing for those living in other authorities' areas. Again, in times when school populations are lower, movement across administrative boundaries is likely to grow, but correspondingly to decline when numbers rise. This means that many patterns built up in recent years

are likely to change. The County Council maintains regular links with adjoining authorities to exchange data and review the implications of forecasts for the future supply of school places

31. Pushback (Secondary Yr7 Intake Only) - Additional calculations are included to take account of anticipated pupil movements between catchment areas, across planning areas and to and from schools outside of Hampshire. The forecasting model takes into account movements into and out of individual school's catchment areas. This information is then applied to the projected numbers and, taking account of school capacities, identifies those children who will no longer be able to attend a school outside of their own catchment area and then "pushes them back" to their catchment school. These children are then added back into the forecasts of their catchment school. This is done on a distance basis in-line with Hampshire County Council Admissions Policy, so those travelling from furthest away will be "pushed back" first. The forecasts for secondary in this document include pushback.

Understanding the forecasts for school places in each area

32. For the purposes of school place planning the 11 districts and boroughs (excluding National Parks) are broken down into more localised education planning areas. The following pages identify current and forecast future aggregated pupil numbers and schools' capacities within each planning area and, indicate actions being taken and considered as necessary to ensure a sufficiency of school provision within these areas.
33. When looking at forecasts in each of the following sections it is important to understand that the figures presented are 'not' statements of fact. It should also be noted that whilst the Local Authority will seek to meet parental preference, our forecasts focus on the number of school places available within a school place planning area. It can be the case that some schools in an area are regularly oversubscribed in relation to parental preference. This could suggest a shortage of school places in the area. However, parental preferences only show where parents would like their children to attend school, not if there is a shortage of school places in an area.

Glossary of Terms:

34. Forecast - The reception year intake is estimated using Small Area Population Forecasts (SAPF) of 4-year-olds produced by HCC Research & Intelligence Group. Other year groups are based on the number of pupils on roll from the January School Census. The expected pupil yield from new housing is also produced by HCC Research & Intelligence Group.
35. Published Admission Number (PAN) - 'PAN' is the Published Admission Number. This is the number of school places that the admission authority must offer in each relevant age group in a school for which it is the admissions authority. Admission numbers are part of the school's admission arrangements.
36. Own Admissions Authority - For foundation and voluntary aided schools, the admissions authority is the governing body. For academies, the admissions authority is the Academy Trust.
37. Number on Roll - The number of pupils registered at a school is called the Number on Roll (NOR). Numbers will vary as pupils leave schools and other pupils join the school. Therefore, the number of pupils is counted at fixed times each year through a census near the start of each term.
38. Catchment Area - A school catchment area is the geographic area from which children may be afforded priority for admission to a particular school. A catchment area is part of the school's admissions arrangements and must therefore be consulted upon, determined and published in the same way as other admission arrangements.
39. Planning Area - Schools are grouped into Planning Areas - this is based upon historic pupil movements between the school catchments within a local area. These are reviewed annually.

BASINGSTOKE & DEANE

Basingstoke and Deane's Local Plan covers the period 2011-2029 and was adopted on 26 May 2016. Overall, a total of 15,300 new homes are expected during this plan period at an annual rate of 850 completions, with a significant proportion of new dwellings being developed on green field sites. The Borough Council agreed on 16 May 2019 to launch the preparation of an updated Local Plan to cover the period up to 2038. Consultation is planned for autumn 2023 with publication a year later followed by submission and examination with adoption expected in Autumn 2025.

Kingsclere	1	145	114	21.4%	145	84	42.4%

Explanatory notes:

- Basingstoke Town has been split into 5 primary planning areas to reflect the communities and pupil movement within the town.
- Some of the larger strategic housing sites impact on more than one school place planning area.
- Basingstoke Areas A, B, C, D and E – the level of surplus primary places will be kept under review.
- Basingstoke Area C – the expansion in PAN relates to the proposed new Manydown Primary school, initially planned to open at 1fe.

- Basingstoke Area E – the additional places relate to the proposed new Hounsome Fields Primary School initially planned to open at 1fe.
- Basingstoke rural south and north show a significant shortfall of places. This is due to large housing sites being currently located in catchment areas for the schools in these planning areas. As these sites come forward, consultations will take place about changes to school catchment areas to reflect the need for any additional school places through new or expanded schools.
- Kingsclere/Burghclere - the Year R proposed PAN totals for October 2027 for this planning area include a PAN reduction in PAN at Kingsclere CE Primary from 40 to 35 from 2023 currently at consultation, with final approval expected in February 2023.
- For 2022 secondary admissions some schools in Basingstoke Town and Hurst Secondary in Tadley admitted additional pupils above their PAN to meet local demand.
- Kingsclere Secondary – pupil numbers continue to be monitored at The Clere School.

Planned significant housing developments in area:

Area A:

- Razors Farm (425 dwellings granted and on site)
- Aurum (130 dwellings completed in 2021)
- Redlands (150 dwellings granted and on site)
- Swing Swang Lane (100 dwellings granted and on site)
- Upper Cufaude Farm (350 dwellings granted)
- East of Basingstoke (450 dwellings in the local plan)

Area B:

- North of Marnel Park (450 dwellings completed in 2021)
- Chapel Hill (618 dwellings completed in 2021)

Area C:

- Land north of Park Prewett (585 dwellings granted and on site)
- Spinney / Trumpet Junction (122 dwellings granted and on site)

Area D:

- Kennel Farm (310 dwellings granted and on site)

Area E:

- Hounsome Fields (750 dwellings granted and on site)
- Basingstoke Golf Course (1,000 dwellings granted and on site)

Basingstoke Rural North:

- Minchens Lane (192 granted and on site)

Basingstoke Rural South:

- Beech Tree Close (85 dwellings granted and on site)
- Land at Park Farm (48 dwellings granted and on site)
- Manydown (3520 dwellings resolution to grant)

Whitchurch:

- Caesers Way (33 dwellings granted and on site)
- Hurstbourne Station (44 dwellings granted and on site)
- Sapley Lane (55 dwelling granted and on site)
- Evingar Road (70 dwellings granted)

Potential School Expansions:

- 2025 Area E – New Primary School linked to Hounsome Fields development (2fe)
- 2026: Area C – New Primary School linked to Manydown development (2fe)
- 2028 or later: Whitchurch – Whitchurch Primary School – (0.5fe expansion to 2½fe)
- 2028 or later: Area A – Additional primary provision – Expansion of existing or new school (1fe)
- 2028 or later: Area D – Park View Primary School – (1fe expansion to 3fe)
- 2030 or later: Manydown - New Secondary School (7fe)

EAST HAMPSHIRE

East Hampshire's Local Plan is currently being updated. There is a major development at Whitehill/Bordon for 4,000 new homes. The first part of the development is currently building out and will require the expansion of existing primary provision and one new primary school. A new primary school is planned for the development of the Land East of Horndean (Hazelton Farm).

Explanatory notes:

- The areas of Four Marks and Ropley fall into the Alresford Planning area for education and are in the Winchester part of this Plan.
- Bordon PAN rise is due to the expansion of Bordon Infant and Junior by 1fe, and this is proposed to be built for September 2024.
- The percentage of secondary places for Alton North is being monitored. Eggars School is considering consulting on a reduction to their PAN from 200 to 175.
- The change in the Alton South secondary PAN is due to the expansion of Oakmoor by 2fe in 2025

Planned significant housing developments in area:

Bordon/Liss/Liphook:

- Quebec Barracks, Bordon (90 dwellings granted and on site)
- Louisburg Barracks, Bordon (500 dwellings granted and on site)
- Prince Phillip Barracks (2400 dwellings granted and on site)

- Additional 850 dwellings as part of the Whitehill Bordon regeneration scheme
- Longmoor Road, Liphook (11 dwellings granted and on site)
- Lowsley Farm (155 dwellings granted and on site)

Alton:

- Treloar Hospital (530 dwellings granted and on site)
- Cadnam Farm (275 dwellings granted and on site)
- East of Will Hall Farm (200 dwellings granted and on site)
- Alton Sports & Social Club (85 dwellings completed)

Horndean/Clanfield:

- Down Farm (207 dwellings granted and on site)
- Hazelton Farm (800 dwellings granted and on site)
- Former Brickworks, College Close (34 dwellings completed)
- Keyline Builders Merchants, Rowlands Castle (43 dwellings completed)

Potential School Expansions:

- 2024: Bordon Infant & Junior Schools (1fe expansion to 3fe)
- 2025: Oakmoor School (2fe secondary expansion to 8fe)
- 2027 or later: Four Marks CE Primary School (0.5fe expansion to 2fe)
- 2028: Hazelton Farm - New primary school (1fe)
- 2028 or later: New primary school to serve Whitehill Bordon (3fe)

EASTLEIGH

The Eastleigh Borough Local Plan (2016-2036) was formally adopted in April 2022 with no change to housing numbers. It sets out the policies and plans to guide future development to 2036. A total of 14,580 dwellings are required to meet needs in Eastleigh Borough. The Local Plan also allocates urban redevelopments, small green field sites and small windfall sites.

Hamble	1	240	239	0.4%	240	228	5%

Explanatory notes:

- The surplus primary places forecast in Eastleigh Town is currently under review but includes the additional 1.5fe school that will serve the Stoneham Park development of 1100 new homes.
- The surplus places in Chandlers Ford will be subject to further review.
- The Land west of Horton Heath Off Bubb Lane, Burnetts Lane, Allington Lane and Fir Tree Lane is known as One Horton Heath. The development contains a site for a new 2/3fe primary school which is due to open in Sept 2026. A future catchment area consultation will be required. The children forecast from the development are currently shown in the Fair Oak and Hedge End planning areas.
- Southern Parishes - Deer Park Secondary which opened in September 2021 will increase its PAN from 150 to 210 from September 2023.

Planned significant housing developments in area:

Eastleigh Town:

- North Stoneham Park (1183 dwellings granted and on site)

Fair Oak / Bishopstoke:

- St Swithun Lane Wells (107 dwellings completed)
- Hammerley Farm Phase 1 (67 dwellings completed)
- Pembers Hill Farm (242 dwellings granted and on site)
- Land west of Horton Heath Off Bubb Lane, Burnetts Lane, Allington Lane and Fir Tree Lane – known locally as One Horton Heath (2500 dwellings pending approval)
- Hammerley Farm Phase 2 (38 dwellings completed)
- Land North of Mortimers Lane (111 dwellings completed)
- Fair Oak Lodge (50 dwellings completed)
- Land East of Knowle Lane (34 dwellings granted and on site)
- CWM Land Mortimers/Knowle (27 dwellings granted)

Hedge End / West End:

- Boorley Green (1400 dwellings granted and on site)
- Botley Road – (100 dwellings granted and on site - resolution to permit an additional 30 dwellings – now permitted)
- Boorley Gardens (680 dwellings granted and on site)
- Crows Nest Lane (44 dwellings granted and on site)
- Maddoxford Lane (72 dwellings granted)
- Waylands Place / Peewit Hill (106 dwellings granted)
- Woodhouse Lane (605 dwellings granted)
- Winchester Street (375 dwellings granted)

Hamble / Bursledon:

- Land W of Hamble Lane / Jurd Way (150 dwellings completed)
- Berry Farm (166 dwellings completed)
- Land south of Bursledon Road (200 dwellings completed)
- Cranbury Gardens (45 dwellings completed)
- Abbey Fruit Farm (93 dwellings granted and on site)

Potential School Expansions:

- 2026: New Primary School linked to One Horton Heath development (2/3fe)
- 2027 or later: Botley Primary School (0.5fe expansion to 2fe)
- 2028 or later: Boorley Park Primary (1fe expansion to 3fe)
- 2028 or later: Deer Park School (2fe expansion to 9fe)

FAREHAM

Fareham Borough Council have consulted on a new Local Plan which will set out the development strategy and policy framework up to 2037. The housing target during this period is 7,295 dwellings and the Local Plan was submitted to the Planning Inspectorate in September 2021. The Inspector has made some changes to the Local Plan which was subsequently out for consultation in Autumn 2021.

The Welborne development for up to 6000 new homes has now received resolution to grant planning permission. A housing development of this size will require 3 new primary schools and a new secondary school. The developer has indicated that they plan to start on site in 2023/24 although exact timing for the development is still to be confirmed.

Fareham West / North / Whiteley	2	540	556	-3.0%	540	566	-4.8%

Explanatory notes:

- Fareham Central/East - the expansion in PAN relates to proposed Welborne Primary School, 2fe school initially opening at 1fe.
- Fareham West/North - the reduction in PAN relates to the drop of Locks Heath Infant PAN from 120 to 90 from 2023. A catchment area change relating to North Whiteley, implemented from 2023, will reduce the demand for places in this planning area.
- Whiteley Planning Area (Primary) lies within the Winchester District and information for this can be found in the Winchester part of the plan.
- The Portchester schools attract applications from out of county, Portsmouth.
- Fareham Secondary West/North/Whiteley – forecast numbers will be monitored alongside new housing.

- Both Brookfield and Henry Cort Secondary Schools in Fareham West/North/Whiteley admitted above their PAN's to accommodate local pupil demand.

Planned significant housing developments in area:

Fareham West:

- Fareham: Welborne (6000 dwellings granted)
- East of Brook Lane (TW) (85 dwellings granted)
- East of Brook Lane (BH) (140 dwellings granted)
- Brook Lane/Lockwood Road (157 dwellings granted)
- 79 Greenaway Lane (30 dwellings granted)
- Heath Road (70 dwellings granted)

Fareham Central/East:

- Funtley Road North (27 dwellings granted and on site)
- Funtley Road South (55 dwellings granted)

Portchester:

- Seafield Road (48 dwellings granted)
- Downend Road (350 dwellings granted)

Crofton:

- South of Longfield Avenue (1,200 dwellings application pending)
- Land at Newgate Lane (99 dwellings granted)
- Newgate Lane East (375 dwellings – in appeal)

Potential School Expansions:

- 2026: New Primary School linked to Welborne development (2fe)
- 2027 or later: New Primary School linked to Longfield Avenue development (1.5fe)
- 2030 or later: Proposed new secondary school to serve the Welborne development (7fe)

GOSPORT

Gosport Borough Council's Local Plan covers the period 2011 to 2029 and was adopted in October 2015 and makes provision for an additional 3,060 dwellings in the plan period. The Borough Council consulted on an updated Local Plan covering the period to 2038 with comments submitted by 3 December 2021. A final draft will be published in Autumn 2022.

Gosport	3	890	816	8.3%	890	729	18.0%

Explanatory notes;

- Gosport Central/North - Due to the level of surplus places forecast in two of the primary planning areas, discussions will take with schools on how this can be managed going forward.
- Gosport South-East – pupil numbers will be monitored
- Gosport Secondary – the level of surplus places will be monitored.

Planned significant housing developments in area:

- Royal Hospital Haslar (316 dwellings granted and on site)

Potential School Expansions:

- None

HART

The Hart Local Plan (Strategy and Sites) 2032 was adopted on 30 April 2020. Around 600 new homes have been built in Hart each year for the past six years, and over 1,700 new homes are expected to be built between 2022 and 2026. A further 1,400 are expected by 2032. The larger sites are listed below, of which Hartland Village is the largest and will be a new community for 1,500 homes with a village centre and new 2fe primary school.

The local plan must be reviewed by April 2025 to see if it needs updating. In the meantime, the Council has decided not to progress the Shapley Heath Garden Community project, although it could remain a strategic growth option in the next local plan.

Work on a Local Walking and Cycling Infrastructure Plan (LWCIP) has commenced. The LWCIP aims to identify key routes and opportunities for improving walking and cycling infrastructure, with school journeys a key consideration.

Yateley	2	385	383	0.5%	385	335	12.9%

Explanatory notes:

- The surplus in primary places in Fleet will be subject to a further review.
- The surplus places at primary forecast in Yateley/Frogmore are currently under review.
- Contained within the Fleet/Crookham primary school area is a new 2fe primary school planned to open in 2026 and serve the Hartland Village development (up to 1500 dwellings) which is now underway.

Planned significant housing developments in area:

Fleet/ Church Crookham:

- Edenbrook Village, Hitches Lane (193 dwellings completed)
- Albany Park, Watery Lane (300 dwellings granted and on site)
- Netherhouse Copse (426 dwellings granted and on site)
- Hartland Park (up to 1500 dwellings granted on site)
- Hawley Park Farm (126 dwellings granted and on site)
- Sun/Guillemont Park (313 dwellings completed)

Yateley / Frogmore:

- Moulsham Lane (150 dwellings granted and on site)

Hook:

- North East of Hook, London Road (550 dwellings granted and on site)
- Odiham Road (83 dwellings completed)

Odiham

- - Crownfields (30 dwellings granted)

Potential School Expansions:

- 2026: New Primary School linked to Hartland Park development (2fe)

HAVANT

Havant Borough Council's Local Plan is currently in draft. It is anticipated that around 10,200 homes will be built by 2036. Of this number, 1,327 are planned within new urban sites and up to 2,100 are currently being planned to be delivered at one strategic site.

Havant Primary Schools

Hayling Island	1	150	138	8.0%	150	113	24.8%

Explanatory notes:

- Cowplain – although there is a proposal for Denmead Infant School to lower their PAN the provision of the new primary school on the Berewood estate will provide the same number of places in this area so the net effect is zero.
- Berewood Primary School falls into the Havant Planning area for education but sits in Winchester City Council boundary.
- Emsworth Schools recruit from Havant Town so can accommodate the need for Emsworth places within the existing accommodation.
- When the proposed new housing on Hayling Island is built the surplus places shown at the secondary school will reduce.

Planned significant housing developments in area:

Waterlooville:

- East of College Road (500 dwellings granted and on site)

Cowplain:

- West of Waterlooville / Berewood (3,200 dwellings granted and on site)

Havant:

- Kingsclere Avenue (25 dwellings granted and on site)
- Blendworth Crescent (48 dwellings granted and on site)
- Land south of Bartons Road (175 dwellings granted and on site)
- Forty Acres (320 dwellings granted and on site)
- Campdown (620 dwellings pending)
- Fort Purbrook (currently in the local plan)
- Golf Course (currently in the local plan)
- Strategic Development Area between Denvilles and Emsworth (at least 2,100 dwellings)

Hayling:

- Station Road (76 dwellings granted)
- Sinah Road (195 dwellings granted)

Emsworth:

- Horndean Road (125 dwelling completed)
- Havant Road (161 dwellings completed)
- Long Copse Lane (210 dwellings pending)

Potential School Expansions:

- 2023: Sharps Copse Primary - internal changes
- 2025: New Primary School linked to Berewood/West of Waterlooville development (1.5fe)
- 2028 or later: Morelands Primary School (0.5 expansion to 2fe)
- 2028 or later: Mengham Infant & Junior Schools (1fe expansion to 3fe)

NEW FOREST

New Forest District Council's Local Plan 2016-2036 part 1: Planning strategy for New Forest District (outside of the New Forest National Park) was formally adopted at a virtual public meeting of the full council in July 2020. The outcome of this suggests it will be possible to make provision for around 10,400 homes to be built in the area over the next 20 years. This level of planned housing will require new primary school provision.

The New Forest National Park (NFNP) Plan was adopted in August 2019. NFNP have highlighted sites for 800 dwellings proposed between 2016 and 2036.

Totton / Waterside	5	1044	862	17.4%	1044	750	28.1%

Explanatory notes:

- Ringwood - note the Year R proposed PAN totals for October 2027 for Ringwood Primary planning area shown above include a PAN reduction by 1 pupil place for schools currently under consultation, with final approval expected in February 2023.
- Ringwood - Bransgore CE Primary (Academy) increased from 45 to 60 in 2021.
- Discussions to continue with local primary headteachers about surplus places in Dibden/Waterside and Totton.
- Expansions may be required in the Fordingbridge, Ringwood and New Milton areas. Despite some surplus places in those planning areas, expansions are required owing to local housing development and distance to reasonable alternative schools.
- 4 of the 5 secondary schools within the Totton and Waterside planning area are academies who therefore set their own admission numbers. Applemore College is a Foundation school, and therefore also sets its own admission number.

Planned significant housing developments in area:

Ringwood:

- Crow Arch Lane (175 dwellings granted and on site)
- Snails Lane, Poulner (143 dwellings pending)
- Hightown Road - (400 dwellings pending)
- Moortown Road - (450-500 dwellings in local plan)

Lymington

- Pinetops Nurseries (45 dwellings completed)

Totton:

- Loperwood Farm (21 dwellings granted)
- Loperwood Lane (100 dwellings granted)
- Land north of Salisbury Road, Totton (300 dwellings pending)
- Land North of Cooks Lane Totton (200 dwellings in local plan)

Dibden and South Waterside:

- Forest Lodge Farm, Hythe (45 dwellings granted)
- Fawley Power Station (up to 1,300 dwellings, outline planning approved)
- 860 homes proposed within Marchwood area in the Local Plan

Fordingbridge:

- Whitsbury Road (145 dwellings granted)
- North of Station Road (240 dwellings pending)
- West of Whitsbury Road (403 dwellings pending)
- St John's Farm (78 dwellings pending)
- Burgate Acres (63 dwellings granted)
- Tinkers Cross (64 dwellings granted)

New Milton

- Hordle Lane (144 dwellings pending)
- Everton Road (69 dwellings pending)
- Brockhills (166 dwellings)
- Gore Road (152 dwellings)

Potential School Expansions:

- 2028: Expansion of Poulner Infant and Junior Schools (1fe)
- 2028 or later: New Primary School linked to Waterside/Fawley development (2fe)
- 2028 or later – expansion to schools in the New Milton planning area (up to 1fe)
- 2028 or later: expansion of Fordingbridge Infant and Fordingbridge Junior (up to 1fe)

RUSHMOOR

Rushmoor Borough Council's Local Plan was adopted in February 2019. This includes the re-development of military land known as Aldershot Urban Extension (Wellesley) to provide up to 3,850 dwellings. 1116 dwellings were completed by April 2022.

Rushmoor Primary Schools

Farnborough / Cove	2	390	338	13.3%	390	292	25.0%

Explanatory notes:

- Aldershot - this is a complex area for school place planning due to cross border pupil movement and turbulence from army movements. The area is under pressure both at primary and secondary, with additional primary and secondary school places planned.
- Farnborough North planning area - Manor Infant School have reduced their published admission number from 90 to 60 for 2023/24.

Planned significant housing developments in area:

Aldershot:

- Aldershot Urban Extension (AUE) (3850 dwellings granted and on site)

Farnborough:

- Sun Park, Sandy Lane (150 dwellings completed)
- Sun Park Phase 2 (313 dwellings granted and on site)
- Meudon House – (205 dwellings granted)

Potential School Expansions:

- 2025: New Primary School linked to AUE development (2fe, to open as 1fe)
- 2025: Alderwood upper school 2fe expansion
- 2028 or later: Cambridge Primary (1fe expansion)

TEST VALLEY

The Test Valley Borough Council 2016 Local Plan identifies 10,584 dwellings to be built between 2011 and 2029 with a significant proportion of sites having already received planning permission.

Romsey / Stockbridge	2	516	523	-1.4%	516	496	3.9%

Explanatory notes:

- Romsey Rural forecast – 7.8% is due to the forecast including children from outside of the area (predominantly Southampton). The schools can accommodate their catchment pupils.
- Stockbridge forecast – includes a low forecast for the primary school serving the Middle Wallop flying school.
- Andover – the shortfall in secondary places against PAN for 2022 relates to each of the schools agreeing to take over PAN. The change to PAN for Andover is the expansion of Winton by 1fe for 2025. If there is a need for the schools to offer over their PAN it has been agreed that they will make the necessary places available.
- Test Valley School – discussions are taking place with the school about low numbers.

Planned significant housing developments in area:

Explanatory notes:

- Winchester Town area - The new Barton Farm Primary Academy opened in September 2020 with a PAN of 30 and is now operating with a PAN of 60.
- Discussions to continue with local primary headteachers about surplus places in Winchester Town and Winchester Rural south.
- Winchester Rural South - Owslebury Primary increasing PAN from 12 to 15 from 2023/24.
- Whiteley – Cornerstone Primary increasing PAN to 45 from 2023/24. The forecast numbers will continue to be monitored to ensure an appropriate number of school places in the area.

Planned significant housing developments in area:
