1. The decision:

- 1.1 That Cabinet approves the Hampshire County Council Strategic Asset Management Plan 2023 to 2028 at Appendix 1.

2. Reasons for the decision:

- 2.1 The SAMP is a key enabler of the County Council's corporate strategy to ensure that the County Council's large and diverse estate continues to meet corporate priorities and objectives.
- 2.2 The objective of the SAMP 2023 to 2028 is to provide a strategic framework for decision making based on a clear set of principles and mechanisms through which the future use of land and property assets will be considered, together with a high-level action plan to enable the effective management and re-shaping of the estate.
- 2.3 The vision and objectives identified in the SAMP reflect the role that land and property assets can play in achieving the strategic priorities of the County Council. This includes enabling and contributing to economic regeneration and growth in Hampshire, in line with the Hampshire 2050 strategy, as well as enabling the further transformation of County Council services and maximising the financial return from assets in the context of the significant financial challenges the County Council faces to 2025.
