**First Questions**

- 1. From Councillor Keith House to Councillor Rob Humby, Leader and Executive Member for Hampshire 2050 and Corporate Services**

Will the Leader detail the actions taken following each of the Deputations to the Council in the calendar year 2022?

- 2. From Councillor Phil North to Councillor Nick Adams-King, Executive Lead Member for Universal Services:**

I have been contacted by a constituent concerned about the ongoing issue of engine idling outside schools in Andover and the impact this is having on our young people. Could the Cabinet member confirm what communications highways or the children's services department has had with headteachers, staff and parents about this matter?

- 3. From Councillor Chris Donnelly to Councillor Liz Fairhurst, Executive Lead Member for Adults Social Care and Public Health:**

As we are all aware, adult social care is one of the biggest responsibilities which we have as a Council. The current model, whereby we pay for assessed need as a contribution to private providers is coming under severe strain with inflationary pressures. A constituent of mine almost had to move back to live with her parents due to their inability to pay the shortfall. I'm pleased to say that was resolved, but how do we ensure that every scarce penny of public money is being used as efficiently as possible to provide care for our residents, and how can we address the growing problem of those who need care having to fund sometimes unaffordable shortfalls with commercial care providers?

- 4. From Councillor Lance Quantrill to Councillor Nick-Adams King, Executive Lead Member for Universal Services:**

How will residents, businesses and visitors benefit from the new county-wide scheme for parking enforcement?
