# Performance and Quality

- Her Majesty's Inspectorate of Probation (HMIP) – inspected May 2018 - Good
- Next inspection programme is from April 2024. we could be inspected early.
- Youth Justice Board key performance indicators: FTE, Rate of reoffending and the number of children in custody
- New indicator set from April 2023 (appendix 3)

# Current Performance

- Reduction in the numbers First Time Entrants (FTEs) (Down from 148 – 117, just confirmed Q1-3).
- Consistent reoffending rate overtime (~32% – 37%).
- Low numbers of children receiving a custodial sentence (1 in 12 months)

# Other key data which inform our priorities

- 42% of FTEs have Special Educational Needs and Disabilities (SEND)
- 17% of FTEs have an EHCP
- 13.2% of FTEs come from a minority ethnic background as compared to 9% of the 10-18 population in Hampshire (2011 data)

# Annual Youth Justice Plan

- Statutory responsibility to produce an annual plan
- Sets out the governance and leadership of the service, its funding, and how it delivers its work
- Underpinned by the vision of a 'Child First' Youth Justice System
- Requires consultation with partners
- Priorities are also aligned with partners priorities.
- Next plan due 2023

# Progress made with 22/23 plan

- Continued use of the Youth Diversion Programme which is responsible for the fall in First time entrants
- The development of an internal communications strategy to improve consistency of practice.
- Reviewing our approach to the assessment of risk and relaunching this to staff.
- Using some of our reserve employing a new participation officer

# Other work completed 22/23

- Responded to the Ministry of Justices Turnaround programme.
- Continue to support Childrens and Failies deliver the Non Violent Resistance (NVR) programme to parents who experience violence from their children.
- Reviewed the structure of the management board in line with guidance and HMI Probation inspection criteria
- Hosted a Ministers of State visit in January (Rt Hon Damian Hinds – Minister for Prisons, Parole and Probation)

# Next years plan – in development

- Develop our work with children with Special Education Needs
- Use the new funding to undertake Speech, Language and Communications (SLC) assessments (estimated 60% of children in the justice system have these needs.
- Continue to work on meeting the needs of children from other minority groups so they are not disadvantaged by the YJS.
