

Schools in Hampshire below the Government's floor standards based upon 2016 outcomes.

The Government has set floor standards for both primary and secondary schools and has asked Local Authorities to take a robust stance towards those schools below floor to secure rapid improvement.

A primary school is deemed to be below the floor standard if less than 65% of pupils attain the new Age Related Expectation (ARE) standard in reading, writing and mathematics combined **and** where progress is less than -5 in reading **or** less than -7 in writing **or** less than -5 in mathematics.

A secondary school is deemed to be below the floor standard their progress 8 value is below -0.51, unless the confidence interval suggests that the school's underlying performance may not be below average. This information for individual schools has yet to be published
