1. The decision:

1. That approval be given by the Executive Member for Younger Adults and Health and Wellbeing for the following actions:
 - i) To award grants totalling £16,750 to cover a range of time periods between January 2024 and June 2025 as part of the Local Solutions Fund.

2. Reasons for the Decision

- 2.1 The Voluntary Community and Social Enterprise (VCSE) Sector contributes to improving people's quality of life. The grants programme is one of the ways in which the County Council supports the sector to support people to live fuller more independent lives.
- 2.2 The decision supports the aim of the Demand Management and Prevention Programme to reduce, delay and/or divert demand on Adults' Health and Care by supporting individuals on the cusp of care and their unpaid carers within their local communities in Hampshire so that they are able to lead healthy, happy, independent lives for as long as possible.

3. Other options considered and rejected:

- 3.1 Not to offer and award the grants contained within the report. This option was rejected because the grants programme is currently one of the ways in which the County Council supports the sector to support people to live fuller more independent lives and to reduce the demand for County Council services.
