1. The decision:

- 1.1. That Cabinet approves the revised H2050 Visions, Policies and Recommendations, as set out in Appendix 1 of the report.
- 1.2. That Cabinet approves the wording of the 'Strategic Overlay' which brings the H2050 drivers together as set out in Appendix 3. of the report.
- 1.3. That Cabinet approves the Serving Hampshire Strategic Plan 2021 – 2025, Mid-term Review and recommends approval of the Plan to the County Council.
- 1.4. That Cabinet notes the key risks, issues and next steps.
- 1.5. That authority to make any further minor changes to the Vision, Strategic Overlay, Policies and Recommendations, such as may be required through further engagement with the Hampshire 2050 Partnership, is delegated to The Director of Hampshire 2050 and Assistant Chief Executive, in consultation with the Leader.
- 1.6 That Hampshire County Council approaches Government relating to the constraints which may need to be overcome to achieve its vision.

2. Reason for the decision:

- 2.1. Following a series of Commission Hearings between 2018 and 2019, the Hampshire 2050 Vision was approved on 23 September 2019. Given the time that has passed, and the changes in society which have occurred since the original H2050 Commission, it was considered appropriate to review the H2050 Vision document, ensuring that the policies and recommendations within remain fit for purpose and relevant.

3. Other options considered and rejected:

- 3.1. To not agree the re-validation of the H2050 Vision. This option was rejected on grounds that the Vision requires updates following major economic and other developments in the past 5 years.
- 3.2. To not endorse next steps and propose an alternate plan. This option was rejected as it would prevent wider engagement and full integration of the Hampshire 2050 Vision into the Serving Hampshire Strategic Plan.

4. Conflicts of interest:

- 4.1. Conflicts of interest declared by the decision-maker:
- 4.2. Conflicts of interest declared by other Executive Members consulted:
