1. The decision:

- 1.1 That the Executive Member for Environment and Transport notes the changes in the policy background impacting the Whitehill and Bordon Transport Package and Transport Strategy.
- 1.2 That in light of these changes, the Executive Member for Environment and Transport delegates authority to update the Transport Strategy to the Director of Economy, Transport and Environment in consultation with the Executive Member for Environment and Transport.
- 1.3 That the Executive Member for Environment and Transport gives approval to undertake further engagement and consultation activity on schemes and proposals related to delivering the Whitehill and Bordon Transport Package and Transport Strategy.

2. Reasons for the decision:

- 2.1 The Whitehill and Bordon development is moving forward and there is now a need to undertake development and detailed design work on the highways and transport schemes identified in the transport strategy.
- 2.2 Various factors have changed since the identification of a transport strategy back in 2014. These have a bearing on the transport measures that were considered in the Whitehill and Bordon Transport Package and Transport Strategy ("the Transport Strategy"). These changes do not affect the strategy coherence, just the relative balance between the strategy themes.

3. Other options considered and rejected:

- 3.1 To progress the design work without engagement would potentially lead to challenge from the local community or important stakeholders.
- 3.2 To progress the strategy developed in 2014 without having regard to changing circumstances could potentially lead to sub-optimal transport outcomes.

4. Conflicts of interest:

4.1 None.

5. Dispensation granted by the Conduct Advisory Panel: none.

6. Reason(s) for the matter being dealt with if urgent: not applicable.
