Officer Decision Record

Decision Maker:	Adrian Gray
Title:	Proposed Traffic Order: Extended Prohibition of Waiting in The Shrubbery, Gosport
Reference:	A1027

1. The decision:

- 1.1. That a traffic order be implemented under the Road Traffic Regulation Act 1984, the effects of which will be to extend the existing No Waiting at Any Time on The Shrubbery by a distance of 4.5 metres on the west side and 4 metres on the east side to allow rear access to a new housing development situated between 124 and 128 Brockhurst Road.
- 1.2 The proposed order shall revoke and re-enact the same provisions as remain in The Borough of Gosport (Various Roads) (Prohibitions and Revocations) (No.4) Order 1975 save for the addition of the restrictions described in 1.1 above and, as a result of the way these matters are now measured, descriptions may differ slightly.

2. Reasons for the decision:

- 2.1. As part of the new housing development at 124 – 128 Brockhurst Road, a new vehicle access will be constructed at the rear of the development leading on to The Shrubbery. Therefore, due to the relatively narrow road layout in The Shrubbery, Hampshire County Council propose to make a Traffic Order to extend the existing No Waiting at Any time restriction to ensure access to the property and visibility at the new access point are maintained.

The proposals are shown on Drawing No: 242/1154.

- 2.2 No objections were received in response to the public consultation which took place between 13 April 2018 and 04 May 2018 – notices were placed on site, the public notice in The Independent appeared on 13 April 2018 and copies of the notice, draft order, statement of reason, existing order and drawings of the site are on display at Gosport Naval and Local Studies Centre, Gosport Borough Council and Hampshire

County Council offices, where they will remain until six weeks after the order is sealed if the scheme goes ahead. These documents also appeared on the public notices website for this public consultation period.
