IMPACT ASSESSMENTS:

1. Equality Duty

1.1. The County Council has a duty under Section 149 of the Equality Act 2010 ('the Act') to have due regard in the exercise of its functions to the need to:

- Eliminate discrimination, harassment and victimisation and any other conduct prohibited under the Act;
- Advance equality of opportunity between persons who share a relevant protected characteristic (age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, gender and sexual orientation) and those who do not share it;
- Foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

Due regard in this context involves having due regard in particular to:

- a) The need to remove or minimise disadvantages suffered by persons sharing a relevant characteristic connected to that characteristic;
- b) Take steps to meet the needs of persons sharing a relevant protected characteristic different from the needs of persons who do not share it;
- c) Encourage persons sharing a relevant protected characteristic to participate in public life or in any other activity which participation by such persons is disproportionately low.

1.2. **Equalities Impact Assessment:** This is a scrutiny review document setting out the work programme of the Committee. It does not therefore make any proposals which will impact on groups with protected characteristics.

2. Impact on Crime and Disorder:

2.1 This is a forward plan of topics under consideration by the Committee; therefore this section is not applicable to this work report. The Committee will request appropriate impact assessments to be undertaken should this be relevant for any topic that the Committee is reviewing.

3. Climate Change:

3.1 How does what is being proposed impact on our carbon footprint / energy consumption?

This is a forward plan of topics under consideration by the Committee; therefore this section is not applicable to this work report. The Committee will consider climate change when approaching topics that impact upon our carbon footprint / energy consumption.
