KS4 Disadvantaged pupils

- In 2019 there was a 2% increase from 39% to 41% in the Basics. This has closed the negative gap on the national performance for this group to 3%.
- The A8 outcome is broadly static in Hampshire, whilst declining since 2017 nationally.
- Nevertheless, Hampshire's P8 figure of 33.7 in 2019 remains slightly below that nationally at 36.6. (only 69% entered to the 6 counting slots compared to 90% of students from non-disadvantaged backgrounds.)
