1. The decision:

- 1.1. That the Executive Member for Economy, Transport and Environment notes the update on the cross border work and approves a timetable for roll out of the Household Waste Recycling Centres cross border system to enable a registration period up to 31 March 2020 with the system starting on 1 April 2020.
- 1.2. That the Executive Member for Economy, Transport and Environment approves entering into a transitional arrangement with Dorset Council that allows Dorset residents access to the Somerley HWRC with Dorset Council paying for the proportion of users to the site as detailed within this report.
- 1.3. That the Executive Member for Economy, Transport and Environment delegates the completion of a legal agreement with Dorset Council in relation to the previous recommendation for an initial period of two years, as well as any extensions to the agreement, to the Director for Economy, Transport and Environment in consultation with the head of Legal Services and the Executive Member for Economy, Transport and Environment.

2. Reason for the decision:

- 2.1. The decision is required to allow a reasonable amount of time to be available for the Hampshire resident e-permit scheme to be promoted so that as many people as possible are able to sign up ahead of the system going live on 1 April 2020.

3. Other options considered and rejected:

- 3.1. The option not to delay the roll out has been considered and rejected as it will not provide sufficient time for residents to sign up for an e-permit and lead to significant operational issues and potential conflict on site when the system goes live.

4.1. Conflicts of interest declared by the decision-maker:

4.2. Conflicts of interest declared by other Executive Members consulted:
