8. **CONSTITUTIONAL ARRANGEMENTS FOR THE HAMPSHIRE AND ISLE OF WIGHT FIRE AND RESCUE SHADOW AUTHORITY**

The Hampshire and Isle of Wight Fire & Rescue Authority (H&IWFRA) considered a paper of the Clerk (item 8 in the minute book) to set up the Constitutional and governance arrangements for the Shadow Authority ahead of the transition into the Combined Fire Authority (CFA) in April 2021. The Order had allowed Members to be appointed and there were currently 11 Members on the Shadow Authority. From April 2021 all Committees would be politically balanced, but this didn't apply to the Shadow Authority year.

Paragraph 11 summarised the Constitutional arrangements. The new CFA would be subject to same local legal requirements and therefore the usual democratic processes applied. It was proposed that the arrangements mirror those in place for HFRA with the same Clerk and Chief Finance Officer.

The table highlighted in paragraph 19 portrayed which parts of the Constitution would apply from June 2020 and those from April 2021 once the CFA was in place. The Shadow Authority would have no power over the existing HFRA until April 2021 and the Standards & Governance, Stakeholder and other relevant Committees would not require appointments until April 2021.

Members debated the Clerk to the Authority continuing as the Chief Executive of the County Council, and it was felt that this was a historic tradition no longer required. As the Combined Authority would be a new independent body, Members agreed that it would be appropriate to look at the Clerk and Monitoring Officer role within the Shadow Authority year to see whether there was a more suitable way forward.
