

REPORT OF THE
Executive Member for Adult Social Care and Health
PART II

1. HAMPSHIRE DISABILITIES DAY OPPORTUNITIES MODEL (HDDOM)

- 1.1. On 21 July 2020 the Executive Member for Adult Social Care and Health gave approval for spend up to a maximum total value of £25 million through a four-year extension to the Hampshire Disabilities Day Opportunities Model from 1 December 2020 to 30 November 2024.
- 1.2. HDDOM provides benefits to service users and the County Council by providing a service specification and quality standards for externally contracted day opportunity providers.
- 1.3. A very diverse range of activity is described under the term “day opportunities”. This includes providers delivering traditional day care centres, vocational training services, community-based services and specialist services. The provision of day-time activity fulfils a key respite function for many family carers who are dependent on this provision in order to work and to fulfil their caring role.
- 1.4. Hampshire County Council currently contracts with 80 externally contracted day opportunity providers for the provision of services to people with a disability. The services provide day-time activity to approximately 700 individuals across Hampshire. The County Council spends approximately £5.4million per annum on these services.
- 1.5. It is a minimum requirement that providers develop and implement robust quality assurance and outcome monitoring systems which can be shared with commissioners.
