Purpose of this Report

1. The purpose of this report is to summarise a review of fees and charges applicable to the River Hamble. It does not cover Harbour Dues for privately owned leisure vessels, which have been reviewed separately and increased by 2%.

Recommendation

2. That the River Hamble Harbour Management Committee recommends to the River Hamble Harbour Board to approve the fees and charges set out below and to advertise them on the River Hamble website.

Fees and Charges

3. It is proposed that Harbour Dues for commercial vessels should increase as follows (previous fees in brackets):
 - (i) The charge for a commercial vessel visiting Hamble harbour: 15.0p (14.5p) plus VAT per Gross Registered Tonne (GRT) per visit.
 - (ii) In addition, the charge for commercial vessels visiting the Hamble harbour and licensed to carry more than 12 passengers which either embark or disembark passengers on public jetties: 60p (58p) plus VAT per passenger.
 - (iii) Additionally, that the launching fee for Personal Water Craft (PWC) or Jet Skis should be increased from £5 to £10 to bring charges into closer alignment with those levied elsewhere in the Solent.

EQUALITIES IMPACT ASSESSMENT:

1. Equality Duty

The County Council has a duty under Section 149 of the Equality Act 2010 ('the Act') to have due regard in the exercise of its functions to the need to:

- Eliminate discrimination, harassment and victimisation and any other conduct prohibited by or under the Act with regard to the protected characteristics as set out in section 4 of the Act (age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation);
- Advance equality of opportunity between persons who share a relevant protected characteristic within section 149(7) of the Act (age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex and sexual orientation) and those who do not share it;
- Foster good relations between persons who share a relevant protected characteristic within section 149(7) of the Act (see above) and persons who do not share it.

Due regard in this context involves having due regard in particular to:

- The need to remove or minimise disadvantages suffered by persons sharing a relevant protected characteristic that are connected to that characteristic;
- Take steps to meet the needs of persons sharing a relevant protected characteristic that are different from the needs of persons who do not share it;
- Encourage persons sharing a relevant protected characteristic to participate in public life or in any other activity in which participation by such persons is disproportionately low.

2. Equalities Impact Assessment:

An EIA is not required as no negative impacts are anticipated.
