

Joint Health Overview and Scrutiny Committee (Hampshire Together Programme) Terms of Reference

Purpose

1. Health Services are required to consult a local authority's Health Overview and Scrutiny Committee about any proposals they have for a substantial development or variation in the provision of health services in their area. When these substantial developments or variations affect a geographical area that covers more than one local authority, the local authorities are required to appoint a Joint Health Overview and Scrutiny Committee (JHOSC) for the purposes of the consultation. (where those authorities consider the change a 'substantial' change).
2. These terms of reference set out the arrangements for Hampshire County Council and Southampton City Council to operate a JHOSC in line with the provisions set out in legislation and guidance.

Terms of Reference

3. The new JHOSC will operate formally as a statutory joint committee i.e. where the councils have been required under Regulation 30 (5) Local Authority (Public Health, Health and Well-being Boards and Health Scrutiny) Regulations 2013 to appoint a joint committee for the purposes of providing independent scrutiny to the Hampshire Together – Modernising our Hospitals and Health Services Programme.
4. The purpose of the JHOSC is to:
 - a. make comments on the proposal consulted on
 - b. require the provision of information about the proposal
 - c. gather evidence from key stakeholders, including members of the public
 - d. require the member or employee of the relevant health service to attend before it to answer questions in connection with the consultation.
 - e. Refer to the Secretary of State only on where it is not satisfied that:
 - consultation on any proposal for a substantial change or development has been adequate in relation to content or time allowed (NB. The referral power in these contexts only relates to the consultation with the local authorities, and not consultation with other stakeholders)
 - the proposal would not be in the interests of the health service in the area
 - a decision has been taken without consultation and it is not satisfied that the reasons given for not carrying out consultation are adequate

5. With the exception of those matters referred to in paragraph [4] above responsibility for all other health scrutiny functions and activities remain with the respective local authority Health Scrutiny Committees.
