

## NOTICE OF MOTION

Notice of Motion proposed by Councillor David Harrison and seconded by Councillor Martin Tod submitted in accordance with Standing Order 18.1.

1. Council notes that:

- a. Carers – paid and unpaid, young and old – do a remarkable and important job. They are an integral part of our Hampshire community. They deserve our support, but are far too often forgotten and ignored.
- b. Carers in Hampshire and across the country face big challenges every single day; challenges that have been made even harder by the Covid-19 pandemic. Most are having to spend more time looking after loved ones during the pandemic; most haven't been able to take a single break since it started; and most are simply exhausted.
- c. Situations provoking care interventions can happen with little warning. Often those giving care have to reduce their working hours or give up work to juggle competing demands.
- d. The pressures on young carers can negatively impact on their experiences and outcomes in education, having a lasting effect on their life chances.
- e. Many carers are unaware of their entitlement to financial support, a carers assessment or break, and the support services available.

2. Council further notes that:

- a. 12,924 full-time unpaid carers in Hampshire rely on Carer's Allowance.
- b. At just £67.25 a week, Carer's Allowance is the lowest benefit of its kind.
- c. In response to the Covid-19 pandemic, the Government increased the Universal Credit standard allowance and the Working Tax Credit basic element by £20 a week above the planned uprating in April 2020, but it has not increased Carer's Allowance.
- d. Many unpaid carers are facing extreme financial hardship. A recent survey by Carers UK found that more than a third of those on Carer's Allowance are struggling to make ends meet. Many have been

struggling for months, often relying on foodbanks to feed themselves and the people they care for.

- e. The Carers UK survey found that “43% of carers felt that a rise in Carer’s Allowance would help them, given the financial pressures they are facing.”
3. Council resolves that:
- a. We must stand up for carers, do more to support them, and build a more caring society as we emerge from the Covid-19 pandemic.
  - b. We will review how carers in Hampshire are made aware of existing support that is available and to bring back any recommendations to Hampshire County Council.
  - c. Promote Young Carers Action Day on March 16th 2021 as widely as possible on an annual basis, particularly to young carers and their families.
4. Council calls on the Leader of the Council to:
- a. Write to the Chancellor of the Exchequer and the Secretary of State for Work and Pensions, urging them to raise Carer’s Allowance by £20 a week immediately, in line with the increase in Universal Credit, and copy in our local MPs, asking for their support.
