1. The decision:

1.1 That approval be given by the Executive Member for Adult Services and Public Health to award the following grants:

i) To award grants totalling £43,758 to cover a 1-year period between 1 Sept 2021 and 31 Aug 2022 as part of the Local Solutions Grant as detailed in Appendix 1.

2. Reasons for the Decision

2.1 The Voluntary and Community Sector (VCS) contributes to improving people's quality of life. The grants programme is one of the ways in which the County Council supports the sector to support people to live fuller more independent lives.

2.2 The decision supports the aim of the Demand Management and Prevention Programme to reduce, delay and/or divert demand on Adults' Health and Care by supporting individuals on the cusp of care within their local communities in Hampshire so that they are able to lead healthy, happy, independent lives for as long as possible.

3. Other options considered and rejected:

3.1 Not to offer and award the grants contained within the report. This option was rejected because the grants programme is one of the ways in which the County Council supports the sector to support people to live fuller more independent lives and to reduce the demand for County Council services.
