(By email)

3<sup>rd</sup> February 2022

Dear Councillor Bound,

**Re: Outcome of Hampshire Police and Crime Panel's consideration of proposed precept**

Thank you for your letter dated 1<sup>st</sup> February confirming that the Police and Crime Panel support my proposed precept increase of £10 per annum for Band D properties, following the meeting on 28<sup>th</sup> January.

As discussed in depth at the meeting, the additional funding will support the delivery of the priorities set out in my Police and Crime Plan 'More Police, Safer Streets'.

I am very happy to support the Panel's recommendation that key improvements made through this budget will be reported to the Police and Crime Panel and the public, and can confirm that you will be kept updated by the OPCC on progress against the budget and deliverable outcomes.

The increase will go towards helping to make Hampshire and the Isle of Wight two of the safest places to live, work and visit without fear of crime.

Once again, thank you for your support.

With best wishes

Donna Jones  
Police and Crime Commissioner
